Fitted Table Covers
Back with Velcro (SKU:TCFBV)

With strong practicability and attractive look, the fitted table cover with zipper at back is a must-have for trade shows and presentations! Compared with table throws, the fitted one has a higher requirement for table size measurement and covers the table with fewer fabrics. Fitted table cover with a vertical Velcro strap along the back is specially designed, which makes it easy to open and close when you store something important underneath the table.
